Sporting Clays Tournament

Saturday, April 26, 2025

Gather your friends, bring your gear and showcase your shooting skills to help support the Bosque Museum! The beautiful setting of 3R Farms Sporting Clays will be the venue again for this day of fun and friendly competition. Whether you are a seasoned shooter or a beginner, this event is perfect for all skill levels and you will want to register early to make sure that you don't miss the fun!

Lunch is included for sponsors and shooters and there will be raffle prizes galore. All raffle prizes will be announced during lunch and you need not be present to win. Awards will be presented immediately following each flight. We look forward to seeing you on the range for this popular day of sport and community support!

This year, registration *and* payment will both be happening on an online payment platform. Check out with the QR Code above.
